

**SUMMERFEST IS ALMOST HERE**

- SummerFest is just around the corner on Saturday, August 8, and we're looking forward to an evening of fun, fellowship, and fundraising in support of Lubbock Monterey AMBUCS and our mission of providing mobility and independence to those in need.
- There's still time to help make this year's event a success! Please continue selling tickets, reaching out to potential sponsors, and gathering items for our live and silent auctions. Every ticket sold, sponsorship secured, and auction donation received helps us make an even greater impact in our community.
- Thank you for your continued support—we can't wait to celebrate with you at SummerFest!

Hey AMBUCS family!  
 Welcome to this edition of the Lubbock Monterey AMBUCS Newsletter! As we continue serving our community, I'm reminded that the strength of our chapter comes from the dedication, generosity, and friendships of our members and supporters. This season is filled with opportunities to make a difference, especially as we prepare for SummerFest. Every event, volunteer, and contribution helps us further our mission of creating mobility and independence for those who need it most. Thank you for all you do to support Lubbock Monterey AMBUCS.

## Challenger Little League End of Year Party

Monterey AMBUCS was honored to help prepare and serve hot dog lunches at the Challenger Little League End-of-Season Celebration. It was a wonderful opportunity to celebrate the athletes, families, coaches, and volunteers who make the season so special. Thank you to everyone who helped make the day a success and continue our tradition of serving our community with heart!

## Tryke Moment

Today we had the absolute joy of watching Collins, a bright and determined 2-year-old, receive her very own Amtryke – generously sponsored by American Bank of Commerce.

Collins has spina bifida and, in her short life, has already powered through two spinal surgeries and two foot surgeries. But if you've met her you know nothing slows

this girl down.

She first tried an Amtryke during therapy a few weeks ago in Florida and she LOVED it. Today at our luncheon, she hopped on her new tryke and rode up and down the hallway with the biggest smile.

Now she'll get to ride right alongside her sisters, and the joy that brings her is something you can feel in the room.

Thank you again to ABC Bank for making this moment possible and for helping us continue our mission of mobility and inclusion.

## Off the Kickstand

Why did the volunteer bring a ladder to SummerFest?

Because they heard the auction items were going to the highest bidder!
