

# SWIM SUIT DRIVE

## SWIM FOR JENNY WEEK

Florida leads the nation in drowning – and the **YMCA of South Florida** has a mission to educate over 35,000 children about Water Safety and Drowning Prevention techniques. Our goal is to make sure all children have the tools and ability to be introduced to swim lessons.

In support of our **Swim for Jenny**, please help us by donating a **NEW swim suit**. We serve all ages, so donations from sizes Child – Adult are appreciated.

Help us save lives and ensure those who need “suits” have the opportunity.

### Who is Jenny?

Jenny was a smart, energetic, and beautiful girl blessed with a loving family.

Unfortunately, Jenny lost her life because she did not know how to swim. **Swim For Jenny** was created to help make sure all kids know how to swim, and be safe around the water.

More ways to help. Donations are welcomed.  
\$100 can sponsor a child for Swim Lessons.  
Make checks payable to **YMCA of South Florida**.
