

LUBBOCK MONTEREY BUC & BULL

The Fun Way to Serve!!

Invite a guest to the Monday
Luncheon Meeting.

DIGITAL NEWSLETTER

Date: 08/26/2022

Our guest for Monday, August 15, was Pete Christy,
Sports Director at Lubbock's KCBD Channel 11

Wow! You think you know somebody, especially
when you've watched them every night on your TV
screen for years.

But a couple of weeks ago, we saw a Pete Christy
that isn't the same one I've watched on the fun *I
Beat Pete* episodes and the weekly *End Zone*
shows during football season.

Pete shared a lot about his personal life and
particularly his spiritual life and how God is using
him behind the scenes to share his faith around the
South Plains.

As a young boy, he wanted to be a doctor until he
went to the hospital with an injury and realized he
couldn't handle the sight of blood.

"That's when I picked up a spoon and, encouraged
by my parents, started using it as a microphone to
begin, delivering sports stories." The sports
stories he is famous for today.

I say famous, because Pete moved away from his
Sportscaster job in Lubbock to Philadelphia where
he became an award-winning Sportscaster.

But, as I can attest, you can't keep a good old boy
away from his Lubbock roots forever, and Pete

eventually moved back home and picked up on his
sportscasting career in a whole new way, spending
countless hours on the roads of West Texas
building close relationships with area coaches.

"Most of the coaches I know around here are not
into the winning and losing of games as much as
they are into getting their kids ready for life."

That's seems to be Pete's philosophy as well, as he
shared story after story of how God is "using him
now to spread the Good News."

"It's all about relationships and working hard – not
just Monterey versus Coronado"

Interesting fact – the first *I Beat Pete* was in 1996
and Pete is only 2 shows away from hitting !000 !

Here are some quick NEWS BRIEFS.

In addition to the speaker at lunch on Monday that Elizabeth mentioned in her email EARLY this morning, I'm sure we'll also hear a report from our President, Bobby Sanders, about his trip this week to the 100th Annual AMBUCS Convention in Birmingham, Alabama.

That's the birthplace of our great mission of Inspiring Mobility and Independence by our founder William L. White, and I have a feeling Bobby will also have some awards to bring home as well.

At our last luncheon, we got a preliminary update from our new Treasurer, Jason Kennell, on the recent SummerFest, and it appears that we should clear over \$40,000 !

A big thanks to Richard Hamilton, who served as Chairman for this year's SummerFest fundraiser, and to ALL the folks who served on the various committees that made it all possible.

The challenge that has now been put forth is that we can someday be larger than the local Cattle Baron's Ball. That's a lofty goal, but one that we could certainly achieve, especially with all of the new "younger blood" that we are bringing into the club.

And speaking of new "younger blood", I spoke with our oldest member the other day. Berwyn Tisdell, who just recently celebrated his 88th birthday. Berwyn joined our club on September 16, 1962, and in just 3 weeks from today will be celebrating 60 years of dedicated membership!

Something tells me that if we had a Fair Restaurant again this year, that Berwyn would have been out there just as faithfully as he was for the previous 60 years. We love you, Berwyn.

Yes, it really is true - there will be NO FAIR RESTAURANT, but as you can see on the [Calendar of Events](#), we will still have our Annual Steak Out this year on September 19th. We will not have club that day, and you should have already gotten the details, again in your email very EARLY this morning from Elizabeth Middleton.

Recently, Elizabeth, who has done an outstanding job the past couple of years in helping to both set up and edit our new Website and Newsletter, shared that she couldn't continue to do both, and asked that someone else take over the production of the Club's regular weekly Newsletter.

When I told Bobby Sanders, "Yes I Can" to doing the Newsletter, I added, "But, No I Can't do it to the level that Elizabeth has, and 'regular' may not be as often."

So, as I take on this new task, please join me in saying a big thank you to Elizabeth, for the dedication and hard work she has (and continues to) put in for our Club.

Inspiring Mobility & Independence

Bobby Sanders asked all Ambuc members to remember the phrase:

“YES I CAN”

Marble-O

Marble-O is a fund raiser for the Big Hat Club. The monies raised go to auctions at the Regional and National Conventions to purchase AMTRYKES. Richard Hamilton has recently added a new marble to the bag...a shiny white and blue marble. Should you draw that one, you'll receive \$10.00. Draw the cat-eye marble, you'll receive \$5.00. Draw the white marble, you'll receive one-half of the PROGRESSIVE MONEY COLLECTED to that date. To participate and have a chance to draw, you **must** purchase a ticket(s) from Richard. GOOD LUCK!!

Had a change in your phone number, home address, email address, etc.? Please email Donna Rose Shattuck, droseshattuck@outlook.com and provide the changes so we can update the member directory, mailing lists, email list, etc. Thank you.

HAND SHAKER PROGRAM

The hand shaker program is designed for you to get to know your fellow AMBUC, and it is also a fundraiser for the Amtryke program. Each member puts a dollar into what is referred to as the "Hand Shaker Pot" when they come into the meeting. At the end of the meeting if your badge number is drawn you are eligible for half of the monies collected for that meeting.

To be eligible to win half of the pot you must do the following:

- Put in your \$1 (that is no option)
- Before you sit down to eat, you are to go around the room and greet each member who is already seated and call them by their first name (i.e.: Hi Richard). If it is a guest, you are to introduce yourself to the individual.
- Each member's badge has a number applied to the back of the badge. At the end of the meeting, usually our speaker is asked to pull out a chip with a number on it.
- If that person is present at the meeting they are eligible for half of the pot, **provided they shook or into today's world - did an elbow or fist bump with the mystery hand shaker.**
- If they did not make contact with the mystery hand shaker, then the money rolls over to the next meeting.
- The "Hand Shaker Program" raises around \$480 during our fiscal year or half of an Amtryke.
- It is the responsibility of the Sargent-at-Arms to pick the mystery hand shaker for the meeting.
