

LUBBOCK MONTEREY CHAPTER OF AMBUCS MISSION

STATEMENT: Inspiring people to conquer challenges related to mobility and independence, through a nation-wide network of volunteers working in partnership with physical, occupational and speech therapist; by providing Amtryke adaptive trykes, scholarships for therapists and many forms of community services. Lubbock Monterey Chapter of AMBUCS is a 501c3. Funding was originally raised through having a hamburger restaurant at the South Plains Fair Grounds. Beginning 2019, we had our first SummerFest Event. At SummerFest Event 2023, we successfully raised \$75,000+ and outgrew our second event center. We anticipate continued growth in attendance and raising funds with SummerFest. We also depend on donations and sponsorships. We have been fortunate in obtaining life-long sponsorships and look forward growing the gracious Community involvement with sponsorships.

Since 1960, community service projects include...

- Lubbock Challenger Little League program. This league has been in existence for 30+ years and is designed for children with disabilities.
- On an average fiscal year, we give away 20+ therapeutic Amtrykes at no cost to the recipients. During our 2023-2024 fiscal year, we are anticipating 30+ therapeutic Amtrykes.
- On an average fiscal year, we provide \$34,000 in scholarships to the Professional Development School at Texas Tech University Health Sciences Center. Our scholarship funding assist students who seek a physical, occupational, speech-language pathologists, or audiology education. During our 2023-2024 fiscal year, we are anticipating giving \$50,000 in scholarships.
- December 2023 is our third Christmas luncheon with the Arrow Foster and Adoption Service. This includes Santa and Mrs. Clause who hand out requested gifts to the Arrow Foster and Adoption Service children. Requested gifts are purchased and wrapped with each child's name. This is in combination with Fox Pest Control Donation.

Past Funding:

HUB City ADA Playground Maxy Park Trips for Make a Wish® Children
Refurbished a room at the Ronald McDonald House
Children Miracle Network Women's protective Service
Christmas for the Boys and Girls Ranch
Grant to the UMC Team Rehab Neuro and Pediatric Center for Parkinson's therapy equipment
