| OAKING:      | None                                      |

---

*The Llano Estacado wine club is a perfect venue for us to showcase small, handcrafted batches of wine. In addition, we get the opportunity to bring recognition to the Llano Growers whose hard work allows us to make these special lots.*

Grüner Veltliner is a white grape best known in Austria, and, to a lesser extent, is also grown on a small scale in regions throughout North America. Plantings of this variety in Texas are scarce, which makes finding a varietal wine from this aromatic grape a rare occurrence.

Aiming to make a style that aligns better with our climate, we harvested for full ripeness and planned a long, cold fermentation to showcase pronounced aromas of stone fruit, with ripe fruit flavors and a rich, full mouthfeel that are balanced by ample acidity with fruity, yet complex aromatics and flavors.

Serve at 45-50 F
