**Today's speaker was Tony Privett, with the Slaton's Harvey House.** Tony was born in Slaton, but lived in other

towns and cities before coming back to Slaton. Since his return, Tony has been involved in raising money for the Slaton Harvey House (AKA: Slaton Rail Road Depot). Tony believed it was important to keep this historical part of history. In the Wild West there were 18 Harvey Houses...throughout America approximately 81. Now only 6 are still standing.

There were reasons the Harvey Houses were established by Fred Harvey. The telegraph lines were established, Homestead Act of 1862 was established allowing 160 acres of land to be yours after living on it for 5 years and using it as an agriculture or ranching interest. Circa 1900 Atchison Topeka and Santa Fe rails were making their way throughout the country delivering mail, food, other products and passengers. But, most important, the windmill industry was booming and brought water to the arid lands...and gave a reliable water source for the steam engines operations.

Fred Harvey, a Scottish immigrant, started establishing the Restaurants and Hotel/Restaurants in 1875 with the idea of increasing the Rail Road capacity and increase tourism. He was the first fast chain restaurants as stops at the Harvey House was only 20 minutes for people to get off the train, pay for their food and get back on the train. It was the telegraph that made this possible as from their last stop, they would telegraph the food orders. Best of all, the restaurants were known for their great food.

Challenges involved having fruits, meats and other food items year around. However, the train system was the answer in carrying food items, and other products to the restaurants. To assist in

having enough help, Fred Harvey placed ads for single women to work for 3 years at the Harvey Houses, waiting on guests and serving meals. They worked 12 hour shifts and served chicken, steaks, and fish on their fine china. Fred Harvey and his Harvey Hotels/Restaurants became legendary and created a resting place for the rail passengers.

In 1942, the Harvey House closed in Slaton due to people having their own automobiles, faster passenger rails were available causing a lack of need to stop at the Harvey Hotels/Restaurants... and there was air service. People were learning and wanting to travel quicker.

In 1990, it was decided the Slaton Harvey House/Hotel would be restored and was designated as a Texas Historical site. It is operated as a museum, event center and Hotel consisting of 5 bedrooms with era furniture, common area, a 1910 caboose and last of that era steam engine. Their common area can hold 60 guests at tables, and is great for small weddings, family gatherings, reunions, and much more. They are usually completely booked when there are events at TTU.

The speaker also began his speech about how much he believed in Lubbock Monterey Chapter of AMBUCS and our AMTRYKE PROGRAM. It should be noted he gave our club a donation before leaving today's luncheon. *Thank you Tony!!*

So do your part and bring in guests you believe will make a great member.

## HAND SHAKER PROGRAM

The hand shaker program is designed for you to get to know your fellow AMBUC, and it is also a fundraiser for the Amtryke program. Each member puts a dollar into what is referred to as the "Hand Shaker Pot" when they come into the meeting. At the end of the meeting if your badge number is drawn you are eligible for half of the monies collected for that meeting.

To be eligible to win half of the pot you must do the following:

- Put in your \$1 (that is no option)
- Before you sit down to eat, you are to go around the room and greet each member who is already seated and call them by their first name (i.e.: Hi Richard). If it is a guest, you are to introduce yourself to the individual.
- Each member's badge has a number applied to the back of the badge. At the end of the meeting, usually our speaker is asked to pull out a chip with a number on it.
- If that person is present at the meeting they are eligible for half of the pot, **provided they shook or into today's world - did an elbow or fist bump with the mystery hand shaker**.
- If they did not make contact with the mystery hand shaker, then the money rolls over to the next meeting.
- The "Hand Shaker Program" raises around \$480 during our fiscal year or half of an Amtryke.
- It is the responsibility of the Sargent-at-Arms to pick the mystery hand shaker for the meeting.

*Please keep the following in your prayers*

**Prayers for our AMBUCS Chapter to grow.**

**Prayers of thankfulness for the Lubbock area.**

Members who believe you should wear a mask to protect yourself, please do so. There is no regulation on this: it is a personal preference based on your own health needs and beliefs.

The “Secret Christmas Event” volunteers (Elizabeth Middleton, Kim Davis, Donna Rose Shattuck and Oscar Will) will meet right after each luncheon meeting. Meeting will last about 15 minutes – 20 minutes.

AMBUCS Member Kadee Harcrow (3<sup>RD</sup> from right) simply asked Picoso's Mexican Restaurant for a \$25.00 gift card donation for a SummerFest 2021 auction item. After talking with Chris Lawrence, manager, he advised Kadee he wanted to do something bigger and better. Instead, he featured Lubbock Monterey Chapter of AMBUCS for the entire month of September. During September, Picoso's offered various non-alcohol drinks and a dinner for customers to purchase. A portion from these items sold went to Lubbock Monterey Chapter of AMBUCS. On October 13, 2021, Lubbock Monterey Chapter of AMBUCS received \$1,534.00. This was all because Kadee asked for a \$25.00 gift card donation and getting our Chapter's name and mission out in the public and for the kindness of Chris Lawrence with Picoso's Mexican Restaurant.
