

JULY & AUGUST 2026

● AMBUCS National Conference 2026 ●

- Five of our Lubbock Monterey AMBUCS members traveled to Myrtle Beach for the National AMBUCS Conference! Our chapter was proud to receive Program Giving – Scholars, Program Giving – Ambility, Superior Chapter, and the 25–49 Amtrykes Given awards.
- This year's conference was the largest attended in 15 years, bringing together 370 AMBUCS, including 90 first-timers and 150 Big Hatters! It was a great weekend of learning, celebrating, and connecting with AMBUCS from across the country.
- It's never too soon to mark your calendars! Join us for next year's National Conference, July 28–31, 2027, in St. Louis, Missouri!

Hello, AMBUCS!

Tryke Moment

We had the absolute joy of presenting Sissy with her very own Amtryke – and her journey makes this moment truly extraordinary. Born at 22 weeks, weighing just 1 pound, Sissy has overcome more challenges in three years than most face in a lifetime. Today, she will climb onto her new Amtryke with confidence and excitement. This tryke will provide the valuable

strengthening she needs to support her walking goals and help her engage socially with her peers and siblings – giving her both mobility and connection. Her Amtryke was made possible through the generous donation of [Gandy's Dairy](#) whose support helped turn this moment into reality. Sissy was on the National AMBUCS Wish List, a program that ensures riders across the country can receive an Amtryke even if they don't live near a local chapter. With more than 150 AMBUCS chapters in over 35 states, there are still areas without a local presence – & the Wish List bridges that gap so every rider has access to independence & opportunity.
